

# **RIIMPO206D Conduct Bulk Water Truck Operations (2-Day Course)**

The water truck operator certification program follows on from the haul/dump truck training course and provides information and guided practice that will equip experienced operators with the skills necessary to demonstrate competence to the minimum national certification standards (NOHSC7019) and to lay the foundation skills of new operators so that they can work in a safe manner.

## **LEARNING MODULES:**

- Plan and prepare for water truck operations
- Pre- and post-operational checks
- Start up and shut down procedures
- Establish a watering plan
- Loading from standpipes
- Hauling fluid loads
- Distributing water
- Operator maintenance

At the successful completion of this course, student will receive the Statement of Attainment and a wallet-size card\* inclusive of the Nationally Accredited course information, student name and course attended date.

(\* SOA and card will be issued after full payment is received)
