

RIIMPO301E

Conduct Hydraulic Excavator Operations

(1-Day Course)

The course **RIIMPO301E Conduct hydraulic excavator operations** combines theoretical learning with practical, hands-on training, ensuring you're equipped with the expertise needed to operate heavy machinery to industry standards. This nationally recognised unit of competency is ideal for individuals looking to work in the construction, civil, and mining sectors.

LEARNING MODULES:

- Operate an excavator safely.
- Conduct wheel loader operations.
- Load trucks and side cast.
- Stockpile maintenance.
- Profile and level.
- Bench construction.
- Walk on and off a bench.
- Planning and preparing for operations.
- Carrying out post-operational procedures.

At the successful completion of this course, the candidate will receive the Statement of Attainment and a wallet-size card* inclusive of the Nationally Accredited course information, student name and course attended date.

(* Raines Resources will issue an SOA and card after full payment is received).

TRAINING DETAILS:

Course Times:

Inexperienced students: 8:00am until 4:00pm (please arrive 15 minutes earlier for registration and ID verification) other times by negotiation.

Experienced or credit transfer students: 11:00am until 16:00pm (please arrive 15 minutes earlier for registration and ID verification).

RPL students: By appointment, length of time required will vary based on evidence provided.

Blended: Self-paced learning and theory assessment with a face to face practical assessment.

Age Requirements:

All learners must be at least 18 years of age.

Literacy and Numeracy:

Participants must have a basic level of English proficiency (written and verbal communication) Numeracy Participants require the knowledge of how to use a calculator.

Digital Literacy:

Online learners will require access to a computer with an internet connection, have the knowledge to access emails, login to the online training portals, have access to video conferencing, upload documents when required and submit assessments.

In some instances, in modern mining and construction settings you may be required to enter/log information into an electronic record keeping device or use computerised equipment to operate various types of machinery and processes.

Course Delivery:

Option 1: Face to face training and assessment in a simulated workplace environment.

Option 2: Self-paced learning/theory assessment completed online and a scheduled face to face practical assessment.

Payment Method:

Credit card, direct funds transfer with a bank receipt, or a company purchase order refer to our finance policy for further details.

What to bring:

1 Photo ID (e.g. Driver's Licence, Passport [current or expired being no more than 2 years from the expiry date], WA proof of age card or other Australian Government issued ID card with photo).

Clothing:

Onsite PPE is as per the site Risk Assessment policy.

Training Location: 12 McVeigh Street Forrestdale or at the client's nominated facility or workplace.

ASSESSMENT COMPONENTS:

- Theory.
- Practical.

CANCELLATION / REFUND:

Refer to our refund policy.

COST OF THE COURSE:

Novice Face to Face/Blended: \$625.00 (GST Free)

Experienced Face to Face/Blended: \$475.00 (GST Free)

For group or corporate bookings, arrangements can be made for a Trainer to attend your site. Please contact our booking team on (08) 6319 5300 or email info@rainesresources.com.au for further details.

VOC / Refresher Course:

Please contact the booking team.

CTF Funding Information:

The Construction Training Fund may subsidise up to 70% of cost for eligible course for persons successfully completing an eligible CTF funded face to face course. Students have up to 1 year from the successful completion date to make a claim. To make a claim email inquiries@ctf.wa.gov.au.

Credit Transfer:

Credit transfer is available on all courses provided substantiating evidence is supplied.

Recognised Prior Learning:

RPL is available for students on most courses, in some instances due to the complexity of RPL validation process the RPL fee may exceed the actual course cost.

Students seeking Recognition of Prior Learning (RPL) are not required to complete standard training assessments where sufficient evidence of existing competency can be demonstrated. However, assessors must ensure that all unit requirements, including knowledge evidence, performance evidence, and assessment conditions are satisfactorily met.

Additional supplementary questions, competency conversations, or practical demonstrations may be required where evidence provided is insufficient.

If you wish to apply for RPL please contact our bookings team on the above details to discuss.
